

J4 pins 1/2/3 = K1 3.5 mm tip/ring/sleeve; pins 4/5/6 = 2.5 mm tip/ring/sleeve. Pin 5 unused.

J8 receives capacitor-coupled speaker output. Pin 2 is optional common ground; return exists through J6.

J1 USB-A connects the sound adapter. J2/J3 connect its audio plugs. Shield bonded to GND.

Review USB signal integrity, current budget and actual mechanical fit before fabrication.
